CHAIRMAN'S REPORT

Ladies and Gentlemen:

We have now completed our 11th season of the St George Centre.

At the start of the season cement shot-put and discus circles were laid and have proved beneficial to our children. There have been some additions inside the clubhouse which also made conditions easier for our officials and fellow workers.

Our first Gala Day was held last November and was very successful. Performances at State Relays, Zone, Region and the NSW State Championships were also very good. Damien Bulian and Mark Lea were selected to represent NSW against New Zealand in the Trans Tasman Series. The St George team which visited Victoria to compete against Preston Reservoir returned victorious.

As our Centre grows so should parent support. Unfortunately this reason too few parents offered their services which at times meant members of the Executives were required to assist with duties other than their own portfolios. Being an Olympic year it could be expected that our numbers will increase considerably next season and therefore it is important that we fill all the positions on the Executive at this Annual Meeting.

It must be remembered that officials are volunteers who assume a difficult but necessary role and therefore I would sincerely thank the St George Executive, the Club Executives and all other parents who assisted throughout the season.

The Little Athletic attitude towards children is one that applauds good performances and encourages greater effort. Congratulate the Winner, Encourage the Loser. Enjoy the sport for what it is. If it isn't fun . . . It isn't Little Athletics.

I hope to see you again next season.

Yours sincerely
PAUL REEVES

REGISTRAR'S REPORT 1983/84

Although registrations were slightly down on the 1982/83 season, there were still 600 children registered with our four clubs this past athletic year.

Unfortunately there was a marked drop off towards, and immediately after Christmas, which is quite a shame as most children continue to improve their performances and this alone should be their aim.

I should like to thank the club secretaries and registrars for their invaluable help and co-operation without which the Centre Registrar would face an impossible task.

The coming season should see an influx of eager little athletes following the Olympics so wish my successor all the best, and offer my assistance when required.

Below are the figures for 1983/84. The previous years figures are in brackets.

INTERCLUB

The 1983-84 season has been very successful for the Centre, although we had to cancel a few programmes due to wet weather and ground conditions.

The lack of response by parents to help as officials, mainly at the Shot — Discus areas, during the 2nd half of the season was disappointing and some of these events had to be cancelled. This is unfortunate but without the help of parents in all areas the programme cannot run smoothly and finish on time.

Congratulations to all of our athletes who were successful in the Zone, Region and State Championships and also to our team of 11 and 12 year olds representing St George in our visit to Preston.

A special thanks to Mabs Errington for the time and effort she has put in for our Gala Day, Zone Selection and Centre Championship Day. Thanks also to our Coach and Team Manager, Bonnie West, and assistant Manager Joe Watchorn for a job well done. Also thanks to Paul Reeves for his assistance in helping me on Friday nights and championship day.

OFFICER FOR OFFICIALS REPORT

The 1983/84 season was mainly a successful year from the point of assistance of parents on Friday nights and at the various carnivals. Quite a number of parents continue to help on a weekly basis and for this I am very grateful. Most parents at least work on their rostered turn, that is one out of every three weeks. Unfortunately there remain a few who consider it not their responsibility to support their children by officiating at any event.

Seven people successfully completed Officials' examinations. I think it would be appropriate in the next season for parents to take a particular interest in sitting for an Officials' examination. These examinations are available for every event and track and field position.

There is no doubt that because of its success in the past two years the system of rostering parents for Friday night competition should continue. It is acknowledged that some parents will have difficulty in doing their rostered duty as their turn comes up but there is little difficulty in such parents contacting the Officer for

Officials to advise him or her of such difficulty; then alternative arrangements can be made.

I wish to thank every person who has helped throughout the season. Mention could be made of many people who have given every assistance when called upon and particular mention must go to Mr Byron Griffiths who continually assisted me throughout the season as well as filling in for me when I was otherwise unavailable for duty.

Thank you to all.

EQUIPMENT

As the 1983/84 season draws to a close my thanks goes out to all those people who either donated or helped with equipment.

The season didn't go without problems. These being caused mainly by ground marking and transporting (carrying) hurdles and high jump bags onto the oval.

Without the help I received from Byron Griffiths marking the track, Bruce Lindwall moving the equipment and Ray Horton looking after the walkie talkies, starting guns and stop watches I can't see how I would have managed through the season.

Many hours work are required on the marking and preparing of the track for our Little "A's" so any extra assistance next season would be greatly appreciated.

Another special thanks to those dads who came forward and mowed and marked the track for the Centre Championships.

A Gold Medal to you all!

An Inventory of all equipment follows.

Until next season.

COACHING REPORT

Well here we are at the end of the 1983-84 season, there were times when the work load became overpowering. However it certainly was a very successful season culminating with the State Championships. At this St George Centre won ten medals; two gold, five silver and three bronze as well as taking the March Past Trophy for the third time. Thanks to Mrs Revithiadis for her hard work training this team.

On Tuesdays and Wednesdays without the help of the few faithful parents I would never have been able to cope with all the children. Mr Lindwall needs special mention as he took the U/12 and U/13 children each Wednesday as well as any athlete who wished to train for the hurdles or sprints. Thank you Bruce. Your efforts certainly paid off.

I would also like to mention Mr Watchorn who assisted me greatly with my job as team manageress. Without his knowledge from last season I would not have been able to appear so efficient. Thanks Joe.

I hope all the children enjoyed this season as I certainly did. I wish all the children and parents the best for the 1984-85 season.

PUBLICITY

Unfortunately this position was not filled at our last Annual General Meeting.

However, we must thank those parents who assisted throughout the season to enable our "ACTION" sheet to be produced each fortnight.

This position is not difficult but it is time consuming. We hope that someone will come forward to accept this position for next season.

We must also thank our sponsors for their support for this season.

CANTEEN

The canteen has had a successful 1983-84 season. This could not have been possible only for the wonderful support from all clubs and voluntary helpers. Also a special thanks to John West on hand as always.

I hope the incoming canteen has all the support that I received.

RECORDS AND RANKINGS

During the 83-84 season the gradings were performed by computer, and the information held in the computer was used to supply details of previous performances to assist in the selections for both the State Relays and the Zone. It is intended, during the off season, to "write" further programs to extract more and varied information out of the computer.

This year standards have been set for the Under 6 boys and girls performances and the best performances for the season have been adopted as the record, and Certificates of Merit are being awarded for these performances. For more details on this point see the updated records printed elsewhere in this publication.

The Under 13 Boys and Girls best performances for the season in the new events, 80 Metre and 200 Metre Hurdles have also been adopted and stand as records. Certificates of Merit shall be awarded.

I would like to thank Betty Forner for her help during the year at what must be a very tiring task, writing out the stickers on the night and also taking the work home with her to complete. Also thanks to Mabs Errington for helping me to compile the report on updated records in this publication, also Ian Sheerin for writing the Programs for the computer, making the task so much easier.

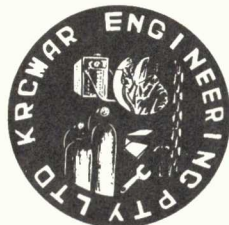

**BILL L'ESTRANGE
RECORDS AND RANKINGS OFFICER**

FUNDRAISING

This position was also vacant, however Elaine Cook assisted throughout the season to raise funds by way of Friday night raffles. Once again thanks Elaine for a job well done.

AUDITORS REPORT

I report that I have examined the books and records of the St. George Little Athletics Centre for the period 18th April, 1983 to 31st March, 1984. In my opinion the above Income and Expenditure Statement for the period ended 31st March, 1984 is in accordance therewith and fairly reflects the operations for that period and the funds available as at 31st March, 1984.

CHAMPIONSHIPS AND SPECIAL MEETINGS

Two St George athletes gained places in the State Cross Country and Road Walks held in July 1983. They were Mark Humphreys who gained 6th place in the Under 8 800m Cross Country and Mark Lea also 6th in the Under 10 1200m Road Walk.

Trans Tasman Trials were again held at Narrabeen and the Centre had two competitors. Damien Bulian and mark Lea both Under 11. These boys were successful in being selected to represent N.S.W. in New Zealand at the Challenge Match to be held in January 1984, where Damien competed exceptionally well gaining 1st place in the Long Jump with a leap of 5.02m thus creating a new Centre Record. Unfortunately no official results are to hand and this is the only result of which I have been notified.

State Relay Championships were held at Narrabeen on 4th December 1983. Thirty nine teams were entered of a possible forty three. Twelve track teams and three field teams were in the finals. The Centre came ninth in the pointscore with forty seven points. The best result for a number of years.

The Under 7 Girls won the Gold Medal in the 4 x 100m. The team was: Amanda Fox, Skye Bulian, Belinda Bennett, Kelly Johnston. The girls ran very well considering they had to run their heat twice due to an official blunder and in winning the final created a new Centre Record of 69.0

The Under 13 Mixed 4 x 100m won the Gold Medal in the State Record time of 4.13.0. The team was: Susan Taylor, Jenny McGoldrick, Alex Gray and Brad Smith. For Sue, Jenny and Alex the win made up for their bitter disappointment in being unjustly disqualified in the event last year.

The Under 8 Girls gained the Silver Medal in the 4 x 100m in a Centre Record time of 65.7. The team was: Victoria King, Deborah Elliott, Jaci West, Jodi Berrell and Brooke Malcolm.

The Under 12 Boys won the Silver Medal in the 4 x 100m in the good time of 54.1. The team was: Rodney Wallace, Troy Burns, Michael Lee, Cort Davies and Glenn Williams.

The Under 13 Girls won the Silver Medal in their 4 x 100m creating a new Centre Record of 53.9. The team was: Susan Taylor, Melanie Carr, Jenny McGoldrick, Julie Anderson and Christina King.

The Under 13 Boys won the Bronze Medal in the 4 x 100m in the time of 52.5, only .1 outside the Centre Record. The team was: Alex Gray, Brad Smith, Kendall Ryan and David Forrester.
