ZONE CHAMPIONSHIPS

Zone Selections were not without their problems. These were done on 8th December with assistance from Club recorders or their delegates. Some children were disappointed in not being selected in their favourite event because of lack of 50% participation. Parents, I cannot stress the point too strongly, if your child is ill or injured and does NOT compete please notify your Club in writing of the fact. This information is then passed onto the Championships Officer for the child to at least be considered for selection.

162 Athletes competed in 462 events at the Zone Championships held at Sylvania Waters Athletics Field on 2nd and 3rd February 1985. Although this was 25 less than last year excellent results were achieved, with six athletes qualifying for Regional Championships in the maximum four(4) events. These youngsters were: U8 Kelly Johnston, U10 Kon Bakafoukas, U12 Daniel Walker and Damien Bulian and U13 Samantha Martin and Troy Burns. Seven other athletes qualified in three(3) events: U8 Donna Westwood, U9 Jodi Berrell and Toby Watson, U11 Kylie Allen and Donna Collins, U13 Michelle Zerzvadse and Nathan West.

CENTRE CHAMPIONSHIPS:

Once again my request for two days in which to run the Centre Championships was ignored and with Preston-Reservoir our Centre in March it was necessary to split the Centre into groups. The U10 to U13 age groups competing on Sunday 3rd March and U6 to U9 competing on Saturday 9th March with the Preston Match.

The 1500m runs for U10 to U13 were again held on the Friday evening and this proved to be popular again.

The Championships in themselves were very successful, if rather longer than expected. This was due to the problems faced in programming only 4 age groups for every event. A great amount of time was wasted on the track in an effort to give competitors maximum amount of recovery time between heats and finals, or one event and another. The holding of two days was great but let us in future keep the Centre together with all age groups competing on the same days. It will be better for the children to feel they are all the same Centre and certainly far easier to programme.

Four Gold Medals were won by:

Once again congratulations to these fine young athletes.

The Clubs competed for the Kingsgrove R.S.L. Shield and the points for both days were added together and results were announced at the Disco that night.

CHAMPION BOYS TEAM: Blakehurst 689pts

CHAMPION GIRLS TEAM: Lugarno 746pts

INTERCLUB CHAMPIONS: Lugarno 1256pts

During the lunch break we invited Mr. Alleyne Gainsford, President of the St. George District Amateur Athletics Club, to present to the winning Club, the A.A. GAINSFORD SHIELD. This Shield was competed for over two(2) Friday nights in February by the U12 and U13 age groups. Points were awarded on their best ten(10) events on a decathlon points scoring system. Winners of the SHIELD for 1984/85 was Rangers with a total of 15,303 points.

We were also pleased to welcome our Centres' Founder and Patron Mr. Fred Scott, his wife Bev and their three sons Andrew, Darren and Greg. All three young men were foundation members of St. George Centre and distinguished themselves each season at Zone and State Championships. Andrew had the honor of being the first St. George Athlete to represent his Centre and State at the Australian Team Championships in Melbourne in 1973.

Andrew was also a member of the first St. George Team to visit Preston-Reservoir in 1972 and his main reason for visiting us during the St. George / Preston-Reservoir Match was to present the Centre with the Pennant the Team received on that first visit. Our Chairman, Mr. Ian Sheerin, accepted the Pennant on behalf of the Centre and said that it would take pride of place in our new trophy cabinet for all to see.

The Composite Relays were again very popular with Rangers and Blakehurst tying for first with 25 points each in the boys, thus jointly being awarded the Shield. In the Girls Relays Blakehurst again came out on top by a 5 point margin.
