

TRANS TASMAN CHALLENGE

This year Auckland travelled to our shores for the annual challenge.

The under eleven and under twelve age groups are invited to attend a trial in order to gain a position in the NSW team 36 boys and 36 girls from each age group are finally selected. Six children from our Centre were fortunate enough to be chosen in the team.

The six did St. George proud all gaining a place in the finals of at least one event that they were selected for.

ZONE REPORT

GIRLS

Another successful Zone Carnival for St. George with 94 girls entered, unfortunately 6 did not attend and 2 girls were in attendance on Saturday but forgot to inform me they wouldn't be able to come on Sunday

Let's start with the U/7's 100m Final and Michelle Moore who was on the dais to receive her 3rd gold medal and was disappointed with the news of a re-run. Michelle took the silver second time round with no complaints, a true little champ of whom we were all very proud. She finished the weekend with 2 gold, 1 silver and a bronze. Belinda Grant had a Zone Best Performance in the Shot with 6.01m. Well done Belinda. Danielle Ferraro was our only young lady who took out 4 firsts and a ground and Centre record in 100m. Good work Danielle.

Jody Berrell and Nicole Maguire had 3 firsts and 1 second. Well done girls. Belinda Martin created a new Zone Best Performance in the 90mH, a new event, a very convincing win. Congratulations Belinda.

I think everyone breathed a sigh of relief when Heidi Lotze won the final of the 60mH in excellent style and no problems, good girl Heidi. Our Relay Team Capri Byers, Liza Zammarelli, Donna Pantlin and Nicole Maguire were a smash hit. Leanne Joy had trained all week and at the last minute had to pull out due to injury, so Liza Zammarelli came to the rescue, thank you Liza. Hope your ankle is on the mend, Leanne, you certainly are running well.

Sharon White gets my special mention this year as it is her first time in which she qualified in all four events. Sharon should be an example to others as she enters every year and does her best, win, lose or draw always returning after her event with a smile to let me know how she went, making my job so much easier. Congratulations and well done, Sharon.

After checking results on Monday, children had qualified in all areas of Athletics, Shot, Discus, Long Jump, Triple Jump, High Jump, Walks, Sprints and the Middle Distance races, which says a lot for St. George Mums and Dads who work hard on Friday nights and help with training during the week. It's through your efforts the kids get the opportunity to reach these heights and are improving all the time. Many thanks to you all especially those who worked over the weekend.

Uniforms on the whole were good, only one incident involving a couple of very young children. Not all kids are having their names marked off when they arrive and in some cases are going straight to their events, by passing the marshalling area, this is a big No No. Speaking of no no's those water spray bottles have to go. I think St. George children over did it this year, lets try to use them at Region for what they were meant for and not to drown one another.

Many thanks to Andrew Reeves and Kris Maszkowski for their invaluable help in the Marshalling Area, you were great boys! Congratulations to the two girls Jayleen Bruce and Emma Glennie who entered the Multi Event, 6 events is tough going. Well done, in making it to Region.

ZONE REPORT

BOYS

Unfortunately the number of boys who did not attend was eleven and this accounted for twenty eight events. An unsatisfactory start to the programme - possibly not for those that did not attend but for the children who tried so hard the whole year to qualify and were beaten by better performances after nominating - enough said.

Our boys performed very well throughout the competition and congratulations to Peter Wooden who gained 1 silver and 2 bronze in the under 7 and to the rest of the boys in that age group.

In the under 13 Hung Ly took out 4 firsts including 2 State Records in the 100 and 200m - a magnificent effort. Toby Watson gained 3 firsts and a second with 2 Centre Records, Daniel Walker, 3 firsts with 3 Centre Records, and there were also 3 Zone best performances by Anthony McDermott, Matthew Fong and John Romyn but unfortunately for John his effort did not break the present Centre Record as did the others.

A special mention to Damien Bulians' fine effort in the 90mH and to John Clark for explaining to the spectators the reason for Damiens' solo run.

SOUTHERN METROPOLITAN REGIONAL CHMPIONSHIPS

The inclement weather on Saturday and the heat on Sunday did not dampen the enthusiasm of our athletes and at the end of the Carnival the Centre finished with 46 State qualifiers (32 boys & 24 girls) and we understand this to be a record for the Centre.

Congratulations must go to the successful representatives and to the rest who tried valiently to make it a 100% representation - well done!

From the Managers viewpoint, the programme ran fairly smoothly but once again, not all reported their attendance. In conclusion we expect all State Representatives to report on the days of competition and also to return after their respective events and advise the results for verification.

1986/87 CENTRE CHAMPIONSHIPS

Unfortunately our original Centre Championships day Sunday 1st March 1987 was a washout so our Championships had to be held over Friday 6th March and Saturday 7th March, which was also the night of the Preston Competition. Two very long ,late nights for all of us, Officials and Competitors alike. Because a day out at Australia's Wonderland had been arranged for Sunday 8th March with our Melbourne visitors, we were unable to have our Championships on this day. Thanks must go to all persons involved in making these two nights run as smoothly as possible with a minimum of complaints.

ST. GEORGE
V
PRESTON - RESERVOIR

A team of 28 St. George children were chosen to defend the H.H. Brennan & R. Honey Rosebowl Trophy which has been with the St. George Centre for the past 7 years.

Congratulations to Preston-Reservoir Club who were triumphant in regaining the trophy in a closely contested competition. St. George children tried valiently to retain the trophy but in the closing stages of the night it was clear that Preston had won. Team Managers Carolyn Berrell and John Collins, as were all St. George supporters, were very proud of the efforts of our children who were gallant in defeat.

Many thanks go to all parents who billeted the Preston children and showed them the sights of Sydney on Saturday and made the children feel at home, and also to some parents who didn't have children competing but have been involved with Preston challenges in the past and have given their time to help and entertain our visitors.

Team captains Joanne Zerzvadse and Daren Turner handed over the trophy at the end of the competition with a promise, we are certain, that we will try and regain it next year.

Sunday at Australia Wonderland was a day to be remembered by both young and old where everyone joined in the spirit of things, had loads of fun doing things they never thought they were capable of doing and having many laughs together.

After a long, hectic, but enjoyable weekend the Preston children left to go home, hopefully with pleasant memories of the weekend and with new friendships made and many stories to tell on arriving home.

STATE REPORT

St. George almost scooped the pool this year winning the March Past, the Boys Relay and coming second overall with 201.5 points, 9.5 points behind Randwick Botany with 211 and winning 33 medals in all. Well done to you all. I think it was our proudest moment, the red and white of St. George never looked so good especially in the March Past, it was like a neon light, perhaps we should re think any change in our Centre Uniform, I for one think it would be a big mistake. Before getting into individual results I would like to commend Jodi Berrell for her courageous performance in the 800m. After a nasty fall and being trodden on by several other runners she picked herself up and completed her race 100m behind the pack and won the admiration of all in attendance. Jodi your a great little athlete and St. George is very proud of you. When you crossed the finishing line you won more than a medal in everyones heart you are a great sport and its youngsters like you that set a good example for others to follow, a true ambassador for St. George and athletics.

I would like to add as this is my final year as Team Manager for the girls what a pleasure it has been serving St. George in this very rewarding job. Albert Ferraro will be the senior member next year and I hope he has the opportunity to work with someone as helpful as he was to me, thanks Albert and good luck for next year.

Amelia Revithiadis

Girls Team Manager.
