ANNUAL REPORT AND FINANCIAL STATEMENT

Presented at the Annual General Meeting
on Monday 1st May, 1978.

Ladies and Gentlemen,

It is indeed a great pleasure to present the Seventh Annual Report. The past year has been one of achievements and has produced many wonderful performances.

During the Season the Centre conducted, the St George Primary Schools Athletic Carnival at Jubilee Oval, Kogarah. The Centre Championships at Evatt Park, Lugarno. The Southern Metropolitan Zone Eliminations at Sylvania Waters Athletic Field. The trip to Preston Reservoir, Melbourne was another highlight which was enjoyed by all.

The Centre's finances are not as healthy as in previous years, due to the purchase of the new centre uniform, expenses with the Preston Team trip, and replacement of un-insured fire damaged equipment. Registrations were slightly down on the previous year and some serious thought should be given to conducting the meetings on Friday Nights.

Congratulations to Melissa Babbage and Timothy Sparkes on their selection in the N.S.W. Team for the Australian Interstate Teams Championships held at Easter in Canberra. Mrs. Mabs Errington was appointed N.S.W. State Team Manageress whilst Mr. Fred Scott served as Registrar on the Association Board of Management.

I would like to thank the members of the Executive for their support and co-operation, also to the parents and supporters who helped out when the call for assistance was made.

Noel Magnay
Chairman

INTERCLUB REPORT

Our sixth full season has just come to a close after being blessed with warm, sometimes very hot weather. Competition was held as scheduled with only one Sunday meeting rather damp underfoot.

The competition was run over a two week programme, allowing from four to six events for each child every week. The first few meetings ran very late largely due to the fact that parents were slow in coming forward to offer their services as officials in the running of events, thus holding up the whole programme.

Special thanks must go to the grading officers who every week took all results home and recorded each child's performance. A Handicap system was used on each alternate fortnight for the 800 & 1500 events. These did not prove popular and will be discontinued next season.

Being the only Centre with Sunday afternoon competition, we had visitors from other centres to provide additional competition for our children during the latter part of the Season.

The pointscore system was again conducted on Centre Championship day. Congratulations to Rangers Club who made a clean sweep taking all three trophies, the Team Trophy for the fourth successive year.

In concluding I would like to offer my thanks to all concerned for a very successful season.

Nola Magnay

COACHING

Fine talent abounds within the Centre throughout all age groups, as success at Zone, State and Interstate indicated. Unfortunately lack of coaching hindered a lot of our children's prospects at Championship level. One of the greatest needs next season is for Coaches in all aspects of Track & Field. Our thanks to Bob Molloy for his valuable time spent in assisting the children in this area.

REGISTRATIONS

The Athletic Season started with a Primary Schools Athletic Carnival at Jubilee Oval and registrations were taken on this day. The Centre has six clubs with a total registration of 292 children. Arncliffe Club merged with a local youth organization and a new Club Rockdale Youth was formed. Distributions are as follows.

	<u>Boys</u>	<u>Girls</u>	<u>Total</u>
Blakehurst	20	13	33
Rockdale Youth	32	14	46

EQUIPMENT

The Season just completed has been a most successful one. The only setback being fire damage, and as a result a lot of equipment had to either be repaired or replaced.

New purchases this season include four high jump bags, two high jump bars, one portable loud hailer, red and white marking flags, three long jump boards and introduction of an "All Risks" insurance policy for equipment, 2 mallets, 1 set of discus markers.

My thanks go to the people who assisted me in my numerous tasks throughout the season and a special mention to Barry Bray who has repaired and updated a lot of the equipment.

Ray Horton.

OFFICIALS

At the close of perhaps our most successful season, congratulation to the children who competed most keenly each week. Also to the steady band of Officials and helpers who worked extremely hard all season in order to provide an efficiently run series of programmes.

St George provided a large number of officials at all Championship Meetings. It was great to see Gwen Taylor and Amanda, Fred and Bev Scott and the boys assisting at the Australian Interstate Teams Championships in Canberra. Many thanks to them for their continuing interest.

To the parents I would like to stress the importance of your assistance in the conducting of events i.e. recording, timekeeping, place judging, measuring distances of throws and jumps, and sticker writing, as without you it would be impossible to conduct a meeting. Please don't be put off by the title "Officials", as we need a lot of assistants if we are to continue to provide the best for our children.

My sincere thanks and that of the children to our ex-little A's and all who have assisted me in my tasks for the past two seasons.

Mick O'Neill

PUBLICITY

Sales of the weekly "Action" were down considerably on previous years. The reason is unknown. It is publicised over the loudspeaker each week, but not many seem interested in buying. I have found that a lot of people prefer to borrow someone else's. Personally I would like to see a new format for the "Action" in the coming season.

Throughout the season I have regularly submitted information regarding the Centre to the local press, only to find that the "Leader" omits or misreports most of the articles. Sometimes part of the report is tucked away on some obscure page not even connected with sport, which is very disheartening.

My recommendation is that the Centre publicity be directed to the "St George Call", as they have indicated their interest by willingly printing any article on Little Athletes that we have submitted to them. They also requested articles for publication on our children after State and Interstate Championships. Best Wishes to the incoming Publicity Officer.

Lynne Sparkes

FUND RAISING & SOCIAL ACTIVITIES

Nett profit from fund raising activities during the 1977 '78 Season was \$1409:39.

Fund raising commenced very early in the Season, on a light hearted note with a very profitable Auction, conducted by Nola Magnay, and boosting funds by \$137.63.

Steady source of Income throughout the season came from Canteen, Cake Stalls and sale of Action. Funds from these activities totalled \$657:22. Thanks to some hard working ladies Jean Facey, Bev Lumb and their helpers.

Centre activities viz; Schools Carnival, Zone and sales of Assn. hats and shirts netted a profit of \$272:12. One highly successful social event organised by Ruth and Bill Gunn and held at the Lugarno boatshed, raised a further \$342:42.

The position of Fund Raising Officer has remained vacant for two seasons and financially, with the help of a dedicated few, the Centre has managed to survive. But as the costs of equipment and the running of the Centre continue to spiral, Surviving is not enough. A very determined effort must be made to fill this position, so parents if you think you can help in any way please come forward and join the fund raising committee.

CROSS COUNTRY & ROAD WALKING CHAMPIONSHIPS

The Cross Country and Road Walking Championships of H.S.W. were held at Oakhill College, Castle Hill on Sunday 7th August, 1977.

St George had four competitors in the Cross Country, Matthew Errington, Andrew Pryor and Gregory Scott in the Under 10, and Lindsay Pearce in the Under 11. Our three boys in the Under 10's were fortunate in coming third in the teams.

In the 1200m Road Walking, Matthew Errington was fourth in an excellent time of 7.21.0, Gregory Scott was placed 7th. Congratulations boys, hope to see a few more entrants next year.

STATE RELAY CHAMPIONSHIPS

The State Relay Championships were held at Hensley Athletic Field, Pagewood, on Sunday 11th December, 1977. The St George children performed outstandingly to gain 7th placing overall for our Centre with 33 points in the George Soper Memorial Shield.

ZONE CHAMPIONSHIPS

The Southern Metropolitan Zone Championships were held on Saturday and Sunday the 4th & 5th February, 1978, at Sylvania waters track. This is the first time our Zone has been held on a synthetic track and the reaction of the Competitors is indicated by the fact that over 40 new records were set during the two days.

Our Zone Co-ordinator, Noel Magnay must be congratulated on a smooth running programme and we trust that this carnival will be the fore-runner of many to be held at Sylvania Waters track.

The following children were successful in qualifying for the State Championships.

ST GEORGE VISIT TO PRESTON RESERVOIR.

The sixth annual match between St George and Preston-Reservoir Victoria, took place on Saturday 11th February, 1973, at a twilight meeting at Edward Park Preston.

Thirty excited St George children arrived at Tullamarine airport on the Friday evening to be met by the officials from our host centre. They were then transported by coach to Reservoir to meet their billeting families. During the plane trip a secret ballot was conducted among the children which resulted in Melissa Babbage being elected girl's captain and Tim Sparkes boy's captain, with Robyn Molly and Brett Magney vice captains.

Due to wet weather normal competition for Preston-Reservoir was cancelled. Fortunately the afternoon's weather improved to allow our match to commence at 5.30 p.m. Our team competed like champions displaying excellent sportsmanship at all times. As the competition progressed it became apparent that the result would be close - so close in fact that the final score was St George 265 points and Preston-Reservoir 267 points.

After the meeting a barbeque was held at which the St George Co-ordinator Mrs Bev Lumb presented the "H.H.Brennan & R.S. Honey" Rose Bowl to the Preston-Reservoir Centre.

Our team returned on the Sunday evening after a most memorable weekend.

The Centre's thanks must be extended to our Co-ordinator Bev Lumb, and our Manageresses Pat Babbage and Lynne Sparkes.

STATE CHAMPIONSHIPS

The N.S.W. State Championships were held at Hensley Athletic Field, Pagewood, on Saturday and Sunday 11th & 12th March, 1978. The weather was very hot with gusty winds up the back straight, despite this our children gave some excellent performances.

Tim Sparkes set an Australian Record in winning the 100m - time 12.3, he also won the long jump with a 5.12m. Melissa Babbage set an Australian Record of 26.1 in the 200m on the Saturday. However, Melissa became ill on the Sunday and in spite of an easy win in her heat of the 400m in an excellent time of 61.5, was unable to contest the final. Melissa then came 2nd in the 100m in 13.0

Another excellent result was a N.S.W. record set by James Neale to win the U12 boys shot put in 10.75m Brett Newton showed his outstanding potential for next season to win the 300m in 2.25.4 and 1500m in 4.52.6.

We were indeed fortunate to gain six first placings, four second placings, two fourth placings, two fifth placings and three sixth placings in the championships.

Placegetters in the championships were as follows:

TRANS TASMAN

A team of N.S.W. little athletes journeyed to New Zealand in January, 1978 to contest the annual Trans Tasman Meeting. Included in the party were four children from our Centre - Fiona and Jenny Gunn, Debbie Facey and Gregory Scott. Bill Gunn from Lugarno Club, was Team Manager. We were indeed lucky to win back the trophy on the last event of the championships. Congratulations children. Our parents and supporters enjoyed themselves as much as the children, if the photographs are any indication.

N.S.W. TEAM MANAGERESS

The N.S.W. Team Manageress was selected for the 1977'78 season in October 1977, and it was with great pleasure that the appointment of Mrs Mabs Errington was announced. Mabs has been associated with this Centre as a member of the executive for a number of years and as a tireless worker for our children has really earned her appointment. Congratulations Mabs!

N.S.W. TEAM MEMBERS

The Team to represent N.S.W. at the Australian Teams Championships was announced at the conclusion of the State Championships. St George is indeed proud that Melissa Babbage and Tim Sparkes were selected as members of this team.

Past St George Members of the N.S.W. Team

AUSTRALIAN TEAMS CHAMPIONSHIPS

The 1978 Australian Teams Championships were held at Bruce Stadium, Canberra on Sunday 26th March, 1978.

N.S.W. was the host State for the championships and it is indeed appropriate that for the first time St George had two athletes selected in the N.S.W. Team.

Melissa Babbage competed in the 100, 200 and Relay. Melissa was second in the 100m in an excellent time of 12.9, first in the 200m to win by an incredible margin of 0.6sec, and run the very fast time of 27.2. Melissa flew in her leg Of the 4x100m relay to gain a huge lead for her team thus allowing them to win easily in 52.1.

Tim Sparkes competed in the 100m, Triple Jump and Relay. Tim was just edged out of first place by a team mate in the 100m, and was second in the exceptional time of 12.6. He was placed eighth in the Triple Jump and as first runner in the 4x100m relay, consolidated the position of N.S.W. to gain first placing in 50.7.

Melissa's outstanding win in the 200m earned for St George their first Individual gold medal in the Australian Teams Championships. Melissa and Tim were also the first Individual silver medal winners. Congratulations to these two children.

Another honour was bestowed on Tim when he was chosen as the boys Team Captain. The manner in which Tim received the Coca Cola teams trophy on behalf of the winning State - N.S.W. and thanked the participants from the other states for their sportsman like manner in which they competed, is to be commended.

Final points for the Coca Cola Interstate Teams Trophy.

2. S.A.	517 "	6. Tasmania	232 "

In conjunction with the Championships invitation track events were held. Debbie Facey competed in the U11 girls 60m hurdles and recorded a fine win in the time of 10.3, this augers well for Debbie for next season.

I have examined the books of account and records maintained by the St George Little Athletics Centre and in my opinion the Income & Expenditure Account is a true and fair view of income and expenditure during the period.

MERIT AWARDS

The Centre again had the Merit Award system and as always proved to be very popular. By the last day of competition a total of 92 children had received the award.

Five children gained their Merit Award on the first day by recording 100% attendance and participation. They were Gregory Scott (for the fifth successive year), Joanne Price (third successive year), Annette Tattoli, Kimberley Hayes and Nicole Dawes.

CONCLUSION

The past season has been a most successful one, as the various officials reports on these pages have indicated.

Perhaps a few of the most important areas that will require thought and a lot of action before the start of next season are, Finance, Coaching and Officials. It is imperative that a strong and active Fund Raising Committee be formed now, in order to implement the raising of finances for next season.

We are most fortunate to have within the Centre a number of highly qualified and very experienced officials who are most willing to pass on their knowledge to parents who will become "Officials" next season. These positions are interesting and the best possible way of learning more about athletics.

To the Under 12 athletes who will go on to the more serious competition in Seniors, we say "Adieu", wish them well and hope that they will continue to enjoy the challenge of Athletics.

In conclusion, I extend my thanks to the Executive Committee, parents and children who have helped to make my association with the St George Little Athletics Centre a most memorable one.

Pat Babbage
Hon. Secretary.
